ROLE BRIEF

CAREERS · PRODUCTION

SEPTEMBER 2026

WE'RE HIRING · MANUFACTURING UNIT

Namkeen & Snacks Production Chef

We're looking for an experienced **snacks production chef** for our manufacturing unit in Mangaluru. You'll run bulk production of our namkeen and chips, and make sure every batch tastes, looks and crunches exactly the same.

COMPANY	LOCATION	EMPLOYMENT	EXPERIENCE	SALARY
Prasad Foods	Kulshekar, Mangaluru	Full-time	2–3+ years, commercial	Competitive, based on experience

What You'll Make

NAMKEEN	CHIPS	MIXES
Bhujia & Sev Aloo bhujia, sev and similar gram-flour snacks.	Potato & Banana Potato chips and Kerala-style banana chips.	Mixtures Indian mixtures, masala peanuts and similar snacks.

Key Responsibilities

- **Bulk production.** Plan and run daily production batches to schedule, from raw material to finished, packing-ready product.
- **Frying.** Manage fryers, oil temperature and frying times, and monitor oil quality and change schedules.
- **Seasoning & masalas.** Apply seasonings and masala blends accurately, batch after batch.
- **Recipes & standards.** Develop, document and follow standard recipes, so any trained person can reproduce them.

- **Batch consistency.** Keep taste, colour, texture and crispness the same in every batch, and fix problems quickly when they don't match.
- **Hygiene & food safety.** Follow FSSAI hygiene practices, keep the kitchen and equipment clean, and maintain basic production records.
- **Materials & yield.** Track raw material use, reduce wastage, and flag stock needs in advance.
- **Team & new products.** Guide production helpers, and support trials for new products and flavours.

■ Who We're Looking For

- **Commercial snack experience.** At least 2–3 years making namkeen, chips or similar snacks in a factory or commercial kitchen, not only in a restaurant.
- **Bulk production know-how.** Comfortable handling large batches, commercial fryers and production timelines.
- **Strong recipe and masala knowledge.** Understands ingredients, ratios, frying behaviour and how to correct a batch.
- **Consistency and discipline.** Takes pride in getting the same result every time, and follows hygiene rules without being reminded.
- **Open to relocation.** Candidates from other locations are welcome if they are willing to relocate to Mangaluru. Relocation and accommodation are arranged by the candidate.

■ Growth Path

Prasad Foods is a growing multi-brand snacks company. As production scales, this role can grow into leading the production team.

START Production Chef	NEXT Production Supervisor	LEAD Head of Production
